

"Only the Best for You and Us"

Sanitation Facts:—

Much has been written recently regarding unsanitary conditions in restaurants, hotels and public eating places. As a result the people eating out are justly concerned as to what kind of a place they are eating in.

As for Laube's Old Spain, we are really proud. Proud because we can assure you that every step has been taken for your protection.

Dishes, glassware and silverware are washed and sterilized with hot water at the proper temperature. No towel ever touches these utensils as they are dried with hot air.

We are entirely free of roaches and rodents. Our ice boxes are equipped with the very latest ultra-violet ray lamps which eliminate all air borne bacteria.

We shall always live up to our motto "ONLY THE BEST FOR YOU AND US."
